

Instruction Sheet For Fill-More Grease Boom SideKick Insert  
 Grease Gutter Fill-More Grease Boom SideKick Insert Kit Includes;  
 1-Fillmore SideKick filter,

### Pre-Installation

Make sure there are no obstructions that will be in the way of the mounting area on the duct such as electric boxes, conduits, brackets, etc. Check to be sure that the power supply conduit is in good condition and has adequate length for the fan to be tilted.

**1) Using the supplied gloves, grasp the saturated Grease Boom at the corners of the Grease Gutter and carefully pull it up and out of the Grease Gutter.**

**2) After removing the saturated Grease Boom, use the supplied bag to dispose of in accordance with local, state and federal regulations.**

**3) Scoop out any present F.O.G in the Sidekick and dispose of in accordance with local, state and federal regulations.**

**Note: We recommend using Grease Away every time you replace a grease boom. Pour the Grease away into the Grease Gutter System before you install the replacement filter and around the fan itself**

**4) Insert fresh Fillmore Grease Boom SideKick Insert**
